ANSWER

MINISTER OF WOMEN AND CHILD DEVELOPMENT (SHRIMATI SMRITI ZUBIN IRANI)

(a): Government of India has set up a dedicated fund namely "Nirbhaya Fund" in 2013 for implementation of initiatives aimed at enhancing the safety and security for women in the country.

The Nirbhaya fund does not remain underutilised and underfunded, as an amount of Rs. 6712.85 crore has been provided under the Nirbhaya Fund upto the current financial year 2022-23, against which a total number of 38 projects with total project cost of Rs. 9228.50 crore has been appraised for funding from Nirbhaya Fund and a total of Rs. 4740.62 crore has been released for these projects by the concerned Ministries / State Governments.

However, the projects/ schemes under Nirbhaya Fund are demand driven and the projects/ schemes appraised by Empowered Committee (EC) under Framework for Nirbhaya Fund are having staggered implementation schedule. While some of the appraised projects are directly implemented by Central Ministries/ Departments, majority of the projects are implemented through State Governments/ Union Territory Administrations in which Central Government releases the funds to States/ UTs as per prescribed fund-sharing pattern of respective projects/ schemes. Thereafter, implementation on ground is done by the States/ UTs in the given timelines. Further, there are schemes, which require recurring expenditure for providing services, in respect of which, further funds are released upon receipt of Utilisation Certificates

(UCs) and Statement of Expenditure (SoE) from the Implementing Agency/ authority. The UCs are required to be submitted within twelve months of the closure of financial year, in which grant was released. Hence, it is possible that more funds have been actually utilised, but Utilisation Certificates (UCs) and Statement of Expenditure (SoE), as required, as per provisions of General Financial Rules (GFR) have not been submitted by the concerned States/ Implementing Agencies (IAs). Government of India follows up regularly with the States/IA's to submit UCs and SoEs. Various other factors such as time taken in getting required approvals from competent authorities, procedure to be followed for award of contract etc., also affected implementation of schemes/ projects.

- (b): The projects / schemes under Nirbhaya Fund are not meant for direct cash benefits to beneficiaries. However, under one of the projects under Nirbhaya Fund, Ministry of Home Affairs has released a onetime grant of Rs. 200 crores to States/ UTs to support and supplement the Victim Compensation schemes in respective States/ UTs. under this project, over 2000 victims have been benefited.
- (c): The details of the funds allocated/ released and reported as utilized for Women Helpline, One Stop Centres, Swadhar Greh (Shelter Homes), Fast Track Special Courts (FTSCs) are as under:

(Rs. in Crore)

SI. No.	Schemes	Released	Utilized
1	Women Helpline	80.17	54.01
2	One Stop Centre/ Sakhi Centres	735.43	327.51
3	Swadhar Greh (Shelter Homes)	66.77	43.37
4	Fast Track Special Courts	621.48	280.81
	(As on December, 2022)		

- (d): The State / UT-wise number of operational One Stop Centres and Swadhar Greh are at Annexure.
- (e): The Empowered Committee constituted under the framework of Nirbhaya Fund reviews the status of implementation of projects, and expenditure on approved projects, from time to time, in conjunction with the concerned Ministries/ Departments/ Implementing Agencies. Further, the concerned Ministries / Departments / Implementing Agencies also monitor the progress of implementation at their levels.
