**ANSWER
MINISTER OF AYUSH
(SHRI SARBANANDA SONOWAL)**

(a) As per the 'Allocation of Business Rules 1961', Government of India, Homoeopathy is already an integral part of Ministry of Ayush.

(b) No, the Government has not proposed for construction of new AYUSH College and Research Centre in Bihar.

National Commission for Homoeopathy (NCH) and National Commission for Indian System of Medicine (NCISM), mainly receives such proposals for opening up of new AYUSH medical colleges.

NCH has not received any proposal for construction of a new Homoeopathy College and Research Center in Bihar/ Gaya district.

National Commission for Homoeopathy, Ministry of AYUSH is regulating authority of the Homoeopathy medical education & maintaining data of registered practitioners. NCH receives

the proposals for opening up of new Homoeopathic medical colleges. NCH examines the application as per NCH Act, 2020 and relevant regulations for permission.

NCISM (National Commission for Indian System of Medicine) has received six (06) Private proposals from Bihar in the academic year 2023-2024 and the current status of permission is enclosed at **Annexure (A)**.

However, Central Council for Research in Ayurvedic Sciences (CCRAS) has functional Research Institute, viz Regional Ayurveda Research Institute (RARI), at Agamkaun, Patna, Bihar and also acquired land at Gaya, Bihar and at present, no Research Institute has been established there. Similarly Central Council for Research in Homoeopathy, New Delhi (CCRH) has a functional Clinical Verification unit (Homoeopathy) at Guru Govind Singh Hospital, 2nd Floor, Patna, Bihar.

(c) In view of the reply to (b) above, the question does not arise.
