**ANSWER**

**MINISTER OF STATE FOR CHEMICALS & FERTILIZERS**

**(SHRI BHAGWANTH KHUBA)**

---

(a) to (d) : Yes Sir, Urea is provided to the farmers at a statutorily notified Maximum Retail Price (MRP). The MRP of 45 kg bag of urea is Rs.242 per bag (exclusive of charges towards neem coating and taxes as applicable). The difference between the delivered cost of urea at farm gate and net market realization by the urea units is given as subsidy to the urea manufacturer/importer by the Government of India. Accordingly, all farmers are being supplied urea at the subsidized rates.

As far as P&K fertilizers are concerned, Government has implemented Nutrient Based Subsidy Policy w.e.f. 1.4.2010 for Phosphatic and Potassic (P&K) Fertilizers. Under the policy, a fixed amount of subsidy, decided on annual/semi-annual basis, is provided on subsidised P&K fertilizers depending on their nutrient content. Under this policy, MRP is fixed by fertilizer companies as per market dynamics at reasonable level which is monitored by the Government. Accordingly, any farmer including poor and marginal farmers who are buying these fertilizers is getting benefits of subsidy.

The State/UT-wise fertilizer sales data and in particular for Sonapat district of Haryana is enclosed as **Annexure- A** and **Annexure- B** respectively.

(e) & (f) : Sir, at this stage there is no such proposal is under active consideration.
