#### **ANSWER**

#### THE MINISTER OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

#### (SHRI DHARMENDRA PRADHAN)

- (a) and (b) Apprenticeship awareness workshops are organized throughout the country to create awareness about apprenticeship training under Apprentices Act, 1961 and Rules thereof. Awareness on apprenticeship training is carried out by Government of India, State Governments /UT administrations and National Skill Development Corporation (NSDC). Further, beginning January, 2023, Ministry has initiated systematic intervention to reach to all the stake holders at the district level. Accordingly, 250 apprenticeship awareness workshops are being organized throughout the country. Out of these 250 workshops, 80 awareness workshops have been conducted in 22 States till March 15<sup>th</sup> 2023. With this the total number of apprenticeship awareness workshops organized since inception of NAPS stands at 731. The State/UT wise list is at **Annexure-I.**
- (c) Pradhan Mantri National Apprenticeship Mela (PMNAM) is being used as a platform for active interaction between establishments and candidates; for their engagement as apprentices. While providing awareness to the youth on various opportunities existing across the participating establishments/industries, PMNAM helps to bring greater number of youth and establishments/industries into the apprenticeship fold. States /UTs have been advised to organize PMNAM every 2<sup>nd</sup> Monday in 1/3<sup>rd</sup> of total number of districts

in the State with the flexibility for choosing the district /location and the day of Mela based on local conditions/festivals, etc. so that all districts are covered once in a quarter, and four times in a year. Smaller UTs can conduct PMNAM once in three months. Starting 20-03-2023, **PMNAM** witnessed dynamic participation till establishments/companies and candidates and was held in 1,813 locations across the country. The State/UT-wise list of number of PMNAM organized is at **Annexure-II**. The thrust given by the Ministry towards apprenticeship training through reforms (facilitation and process simplifications) and public reach out to create awareness about apprenticeship training among the students and the establishments through awareness workshops, PMNAM, engagement with establishments / employers are making positive impact. All these have led to increase in the number of apprentices from 2.52 lakh in 2019-2020 to 5.8 lakh in 2021-22. The number of apprentices engaged in the current year 2022-23 stands at 6.70 lakh.

(e) and (f) Apprenticeship training is on-the-job experiential training also called as On-job training (OJT). Apprenticeship training is broadly classified as Designated Trades and Optional Trades. The number of candidates trained in Designated and Optional trades in the last 3 years and the current year is as below:

Trade category	2019-20	2020-21	2021-22	2022-23*
Designated trades	1,22,303	1,29,648	2,25,765	2,38,067
Optional Trades	83,669	1,78,070	3,64,123	4,40,963
