ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SADHVI NIRANJAN JYOTI)

(a) & (b) In order to achieve the target of "Housing for All" in rural areas, the Ministry of Rural Development is implementing Pradhan MantriAwaasYojana- Gramin (PMAY-G) with effect from 1st April, 2016 to provide assistance to eligible rural households with an overall target to construct 2.95 crore pucca houses with basic amenities by March, 2024. The beneficiaries under PMAY-G are identified on the basis of housing deprivation parameters and exclusion criteria prescribed under Socio Economic Caste Census (SECC)-2011. The target of 2.95 crore was arrived at on that basis. The auto generated priority list of households from SECC, 2011 database was provided to the States/Union Territories for conducting verification by Gram Sabhas followed by an appellate process. The number of eligible beneficiaries thus made available through SECC database currently stands at 2.08 crore (approx.). Thereafter, the Government conducted Awaas+ survey to identify those beneficiaries which claimed to have been left out under the 2011 SECC and thus prepared an additional list of potential beneficiaries. In order to fill the gap between overall target of PMAY-G and beneficiaries available through SECC 2011, Awaas+ data is being utilized.

In the State of Gujarat, the beneficiaries available in SECC based Permanent Wait List (PWL) are 3,21,495 and in Awaas+ are 6,38,113 as on 24.03.2023. The Ministry has allocated a target of 6,33,772 houses to Gujarat State (including 3,13,466 from Awaas+ list) from the financial year 2016-17 till 2022-23.

The Ministry has released an amount of Rs.3,301.62 crore as Central assistance to Gujarat State under PMAY-G for construction of targeted houses from the financial year 2016-17 to 2022-23 (as on 23.03.2023).

- (c) Against the total target of 6,33,772 houses allocated to the State of Gujarat since inception of PMAY-G i.e. from financial year 2016-17 to 2022-23, the State Government has sanctioned houses to 5,80,069 beneficiaries and construction of 4,04,610 houses has been completed till 24.03.2023.
- (d) The State-wise details of the total number of houses constructed under PMAY-G in order to achieve the objective of "Housing for All" during each of the last three years i.e. 2019-20, 2020-21 and 2021-22 is given in **Annexure**.

Statement in reply to Part (d) of Lok Sabha Unstarred Question No. 4381 to be answered on 28.03.2023 regarding "Assessment Of Housing Requirement In Rural Areas"

State-wise details of the total number of houses constructed under PMAY-G during each of the last three years i.e. 2019-20, 2020-21 and 2021-22.
