- (a) the status of creation of National Statistical Business Register, in accordance with the Government's earlier proposal of conducting 7th Economic Census;**
- (b) if so, the details of the extent to which it is likely to help in new employment generation; and**
- (c) the special emphasis taken/being taken by the National Statistical Commission, on ensuring collection of unbiased data, which likely to be assist in respect of policy-making, coordination and certification of quality of Core Statistics, during the past three years and the current year?**

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION, MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF PLANNING AND MINISTER OF STATE IN THE MINISTRY OF CORPORATE AFFAIRS [RAO INDERJIT SINGH]

(a) & (b): The development of National Statistical Business Register is envisaged as a follow up activity of 7th Economic Census. Economic Census aims to provide a framework for the development of National Statistical Business Register. Statistical Business Register may be

leveraged for designing developmental policies for economic growth, employment generation, etc.

(c): National Statistical Commission has emphasized on improving quality of survey data collection by rationalization of schedules to reduce respondent burden; adopting technological intervention to modernize survey set up; modification in survey methodology and restructuring/regrouping of survey schedules for reducing time lag in releasing survey reports, etc.
