**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

The State/UT-wise information on FDI inflow is maintained only for FDI equity inflow w.e.f. October, 2019 and relevant details are given at Annexure –II. State/UT-wise information is not maintained for equity capital of unincorporated bodies, reinvested earnings and other capital.
- (b):** Sector-wise information of FDI inflow is maintained only for FDI Equity inflow and relevant details for the last ten financial years are given at Annexure –III.
- (c) & (d):** Yes sir, to attract more FDI in the country, Government has put in place an investor-friendly policy. Most of the sectors except certain strategically important sectors are open for 100% FDI under automatic route. Further, FDI policy is reviewed on an ongoing basis, to ensure that India remains attractive and investor friendly destination. Changes are made in the policy after having consultations with stakeholders including apex industry chambers, associations, representatives of industries/groups and other organizations.

FDI policy provisions have been progressively liberalized and simplified across various sectors such as Pension, Other Financial Services, Asset reconstruction Companies, Broadcasting, Pharmaceuticals, Single Brand Retail Trading, Construction & Development, Power Exchanges, e-commerce activities, Coal Mining, Contract Manufacturing, Civil Aviation etc. In recent past, reforms in FDI Policy have been undertaken in sectors such as Defence, Insurance, Petroleum & Natural Gas and Telecom. Further, all proposals seeking Government approval under FDI route are now filed on National Single Window System (NSWS) Portal.
