

GOVERNMENT OF INDIA
MINISTRY OF PLANNING

LOK SABHA
UNSTARRED QUESTION NO. 4774
TO BE ANSWERED ON 29.03.2023

ATAL TINKERING LABS

†4774. DR. DHAL SINGH BISEN:

Will the Minister of PLANNING be pleased to state:

- (a) the details of the names of the institutions where Atal Tinkering Labs (ATLs) are to be established as per the provision/criteria required for their establishment including those where ATLs have been established till date, State/UT-wise;
- (b) the details of the number of ATLs established in Madhya Pradesh till date, district-wise and institutions-wise including in Balaghat and Seoni districts along with the funds sanctioned thereof;
- (c) whether physical verification of the labs established in Seoni and Balaghat districts has been done by any officer and if so, the details thereof along with the status of payment; and
- (d) whether the Government intends to blacklist the officer making payment without physical verification and the vendor (agency) supplying poor quality materials and if so, the details thereof?

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION; MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF PLANNING AND MINISTER OF STATE IN THE MINISTRY OF CORPORATE AFFAIRS

(RAO INDERJIT SINGH)

- (a) With a vision to ‘Cultivate one Million children in India as Neoteric Innovators’, Atal Innovation Mission (AIM), NITI Aayog has established Atal Tinkering Laboratories (ATLs) in schools across India. The objective of this scheme is to foster curiosity, creativity, and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc.

The guidelines for setting up/establishment of ATL along with criteria for selection of ATL establishment is available on AIM website and is placed here:

https://aim.gov.in/pdf/ATL-Application_Guidelines-2018.pdf

AIM has successfully completed its mandate of setting up a total of 10,000 ATLs in schools across the country. The list of schools where ATLs have been established till date, State/UT-wise is available on AIM website and is placed here:

<https://aim.gov.in/pdf/OperationalATLsInIndia.pdf>

- (b) Out of 10,000 ATLs established till date across the country, 601 ATLs have been established in Madhya Pradesh. The details of ATLs established in Madhya Pradesh, is available on AIM website and is placed here:

<https://aim.gov.in/pdf/OperationalATLsInIndia.pdf>

Out of 601 ATLs established till date across the state of Madhya Pradesh, 26 ATLs have been established in Seoni district and 7 ATLs have been established in Balaghat district. The details of ATLs established in Seoni and Balaghat districts, institution-wise along with the fund sanctioned is placed at **Annexure I and Annexure II** respectively.

- (c) & (d) AIM is in continuous touch with all the ATL schools through regular engagements, events, and compliance checks. AIM has set up online dashboard where schools can self-report data such as school and teacher engagements, events conducted, and projects created by the students. Additionally, AIM also conducts physical visits round the year to different states/districts on a random basis for verification of compliance to AIM guidelines, activities, and lab establishment in schools. AIM has also conducted third party assessment of ATLs, selected on random basis, across the country. Based on onsite verification done by AIM officers and Third Party Assessment of ATLs, the relevant measures are taken for any non-compliance to AIM guidelines including handholding and mentoring for such schools for course correction.

AIM has mandated the schools to procure ATL equipment from Government E-Marketplace (GeM) only. The detailed guidelines for procuring equipment from GeM is available on AIM website and is placed here:

https://aim.gov.in/pdf/Procurement_Guidelines.pdf. Any deviation from these guidelines is bound to be escalated to GeM as per the processes set up by GeM.
