ANSWER

MINISTER OF WOMEN AND CHILD DEVELOPMENT
(SHRIMATI SMRITI ZUBIN IRANI)

(a) to (d): Presently a total number of 40 One Stop Centres (OSCs) have been approved for setting up in 30 districts of Karnataka, out of which 30 OSCs are reported as functional. During last four years (2018-19 to 2021-22), a total number of 522 OSCs have been approved across country.

A decision has been taken to setup one One Stop Centre in each district across the country. Further, under Mission Shakti, the Government has decided to open 300 additional OSCs, in a phased manner, during the implementation period of 15th Finance Commission i.e. till 2025-26, in districts having higher crimes against women and/ or districts having bigger geographical area.
