GOVERNMENT OF INDIA MINISTRY OF EDUCATION DEPARTMENT OF HIGHER EDUCATION

LOK SABHA UNSTARRED QUESTION NO.5077 ANSWERED ON 03/04/2023

IIITDM, Kurnool

5077. SHRI P.V. MIDHUN REDDY:

Will the Minister of EDUCATION be pleased to state:

- (a) the number of scholarships and fellowships awarded to students under various heads and inter-Ministerial schemes at the Indian Institute of Information Technology, Design & Manufacturing, Kurnool since inception;
- (b) whether the Government has studied the research capacity of the institute:
- (c) if so, the details thereof and the manner it has increased over the years;
- (d) whether the Government has any data on the level of industry participation and annual student placement rate at the institution; and
- (e) if so, the details thereof?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION

(DR. SUBHAS SARKAR)

- (a): Since its inception, Indian Institute of Information Technology Design and Manufacturing (IIITD&M), Kurnool has awarded scholarships and fellowships to 890 students under schemes of various Ministries/Departments of the Government of India, State Governments and Research Institutions as well as the Institute.
- (b)& (c): IIITD&M, Kurnool has been declared an Institution of National Importance (INI) under "The Indian Institutes of Information Technology Act,

2014" by amendment in the year 2017. The Institute has started Ph.D Programme in all disciplines from 2020 onwards and also providesPh.D fellowships for all full time students and tuition fee waiver for all SC/ST students. Further, the Institute offers 3 (three) Visveswaraya Ph.D. fellowships from the year 2022 which is supported by Ministry of Electronics and Information Technology (MeitY). In past 3 years, 38 research publications have published by the faculty and students of the Institute.

- (d) & (e): Yes, the Institute has undertaken the following activities in association with the Industry participation:
 - (i) The Institute has established full-fledged Innovation Campus Lab in association with Samsung Research Institute, Bangalore to import training on cutting edge technologies such as python, AML, IOT and Bigdata.
- (ii) Further, Institute has signed MoUs with CODETANTRA, SAMSUNG PRISM, Bangalore, Samsung Research Institute, Bangalore, Edurekha, Zero Code, Centillaion networks, Oracle India, XTrans, IIT Madras for imparting training on BOSSMOOL for database internals, Tihan, IIT Hyderabad, University of Agdar, Norway for offering joint double degree programme under New Education Policy: 2020 in the last 3 years.
- (iii) 8 research worklets were completed by the faculty and students.
- (iv) 10 Faculty development programmes, Moodle workshops jointly with IIIT Tiruchirapalli in last three academic years (2019-22) under ATAL, E&ICT Academy and other sponsoring agencies.

Details of annual students' placement rate are as under:

Year/Batch	2017-21	2018-22	2019-23
Rate	54.76%	77.66%	41.67% (Ongoing)
