ANSWER

THE MINISTER OF STATE IN SKILL DEVELOPMENT AND
ENTREPRENEURSHIP

(SHRI RAJEEV CHANDRASEKHAR)

(a) Under Pradhan Mantri Kaushal Vikas Yojana (PMKVY), skill training has been imparted through short term training and recognition of prior learning (RPL). Certified candidates under STT were facilitated for job opportunities, while RPL was not linked with placements as it recognized the existing skills of candidates. PMKVY was a demand driven scheme; hence no placement target was fixed by the Government. However, MSDE through various initiatives had facilitated the placement of the short term certified candidates.

(b) Yes, Sir. The scheme provides post Placement Support to the candidates, including special group (women, Person with Disability, Transgender and Deprived group) at the rate of Rs. 1,500.00 per month per candidate for 2 months if candidate is placed within the district of domicile and the same is provided for 3 months in case the candidate is placed outside the district of domicile.

(c) Ministry had facilitated placement opportunities through various initiatives such as Rozgar Melas and apprenticeship mela. Rozgar Melas were organized with the support of Sector Skill Councils, training providers and implementing agencies to directly link the candidates with the potential employers. In addition, Ministry has launched the Aatmanirbhar Skilled Employees Employer Mapping (ASEEM) portal, which acts as a central directory of skilled workforce registered and certified under Skill India Portal (SIP), across all schemes at central and state level.

(d) National Skill Development Corporation under the aegis of Ministry has conducted various Rozgar Melas to support in the placement of PMKVY candidates.
