- (c) the role of States in formulating a product specific or district specific plan to promote identified products; and
- (d) the extent to which identifying district specific products has been beneficial to farmers and small entrepreneurs?

**ANSWER**

**वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)**

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY  
(SHRI SOM PARKASH)**

- (a): The 'One-District One-Product' (ODOP) initiative is aimed at fostering balanced regional development across all districts of the country. The initiative aims to select, brand, and promote at least One Product from each District (One District – One Product) of the country for enabling the holistic socioeconomic growth across all regions. The ODOP Initiative has identified over 1000 products from 761 districts (after the merging of districts in Assam) across the country. The products identified under ODOP initiative are available on DPIIT's website under the links-

- (b): Several steps have been undertaken for promotion and exports of all ODOP products. This includes, regular capacity building initiatives in collaboration with other government/private bodies such as National Institutes of Design/National Institutes of Fashion Technology, e-commerce onboarding drives for Government e-Market (GeM) ODOP Bazaar which showcases and stocks India's best ODOP products. For introduction of ODOP initiative at international level, virtual buyer sellers meets were undertaken along with Indian embassies and missions abroad. The aim is to familiarize foreign dignitaries from Countries across the world about the plethora and diversity of products under the ODOP initiative, consequently promoting a brand image and propelling international marketing for local products.

It has been decided to leverage the One District One Product (ODOP) initiative by presenting an array of distinct and diverse handicrafts from different regions of India as gifts to the esteemed delegation of the G20 summit, which India is hosting this year. These gifts are carefully curated with a story card that highlights the geography, community involved in its production, and other intricate details about the product.

The details of the major steps undertaken are annexed **at Annexure-I.**

- (c): Under the ODOP initiative, all products have been selected by States/UTs by taking into consideration the existing eco-system on the ground, products identified under Districts as Export Hubs (DEH), and GI-tagged products. The finalized list is communicated to DPIIT by the relevant Department of States/UTs. All activities including exhibitions, capacity building, etc. are undertaken at the State/UT and district level, in consultation and coordination with the States/UTs.
- (d): The ODOP Initiative is aimed at fostering balanced regional development across all districts of the country. The States/UTs have been participating in many Trade facilitation events within the domestic and international markets such as the Dubai World Expo 2020 and in International Day of Yoga in June 2022 in New York. The Initiative has been conducting Capacity-building workshops on organic certification, design development, etc for the promotion of regional trade. Local artisans/weavers/SHGs of the products like Agate stone in the city of Khambhat, Gujarat, Sea buckthorn and Apricot from Ladakh, Bamboo Furniture and Handicraft products from Tripura, Molela Clay-Work from Rajasthan, Kamrup Silk products from Assam have been trained through such workshops.

Activities undertaken under by the ODOP Initiative have been annexed at **Annexure-II.**
