- (a). Yes Madam/Sir. Under the Capacity Building component of the Pradhan Mantri Formalisation of Micro Food Processing Enterprises (PMFME) scheme, financial assistance is provided to national level education and research institutes for training and research on product development, suitable packaging and machinery etc. Grants-in-aid of Rs. 3.54 crores has been approved to Indian Institute of Millets Research (IIMR), Hyderabad (Telangana) under the PMFME Scheme for setting up of an incubation centre for research and development for resolving gaps in scaling up of millet value chain for technical backstopping micro food processing enterprises. In addition, 76 incubation centres have also been approved to various education and research institutes in the country for increased access to common services like common processing facility, laboratories, storage, packaging, marketing including training to build the capacity of micro food processing enterprises.
