**STATEMENT REFERRED TO IN REPLY TO PARTS (a) to (d) OF THE LOK SABHA  
STARRED QUESTION NO. 263 ANSWERED ON 08.08.2023 REGARDING  
PERFORMANCE OF STATES**

---

(a) The State-wise performance of the Centrally Sponsored Scheme of revamped Rastriya Gram Swaraj Abhiyan (RGSA) for capacity building and training of the elected representatives of the Panchayati Raj Institutions (PRIs) and the Central Sector Scheme of Survey of Villages and Mapping with Improved Technology in Village Areas (SVAMITVA) for providing the 'Record of Rights' to village household owners possessing houses in inhabited areas in villages are given in **Annexure-I** and **Annexure-II** respectively.

(b) Close and intensive monitoring of the implementation of the scheme through meetings, video-conferences, regular feedback, dashboard data, demand for timely submission of utilisation of funds released, effective coordination with stakeholders etc. are the factors for satisfactory performance.

(c) During the implementation of scheme of SVAMITVA issues like delay in providing sufficient number of Chuna Marked villages by States, insufficient trained manpower to carry out the activities, extreme weather conditions, difficult terrain in some States, delay in drone flying permission in areas around airports, international border are some of the factors that affect the performance of the States under the SVAMITVA scheme.

(d) The States are being closely monitored through meetings, video-conferences, dashboard data etc. to improve their performance for effective implementation of the schemes and utilisation of funds. A suitable mix of virtual and face to face mode of training has been adopted for various target groups for capacity building and training of the elected representatives and other stakeholders of rural local bodes who come from varied socio-economic and educational backgrounds. States/ UTs have also been suggested to prepare tailored audio-visual training materials and modules such as animation videos, audios, e-posters etc. for different target groups to ensure effectiveness of the trainings.
