ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a) to (c):** Setting up of industry is primarily in the domain of State Governments. States adopt different policy measures to promote industrial development. The Government of India supplements the efforts of the State Governments with various measures. DPIIT implements the schemes for overall development of industrial sector such as the Schemes for Investment Promotion, Ease of Doing Business, Industrial Infrastructure Upgradation Scheme, Production Linked Incentive Scheme (PLI), National Industrial Corridors, Startup India, Indian Footwear & Leather Development Programme and Initiative of Promotion of Geographical Indication etc.

Maharashtra Industrial Development Corporation (MIDC) has informed that 225 New Industries have been established in Maharashtra in the year 2023.

No such proposal has been received from the TATA Group to set up an industry in Solapur district in this regard.
