A N S W E R

**MINISTER OF STATE FOR MINISTRY OF RURAL DEVELOPMENT AND CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION
(SADHVI NIRANJAN JYOTI)**

(a) to (b): As per the information received from the State Governments, payment to sugarcane farmers are being released by the sugar factories and cane arrear is steadily reducing. Financial position of sugar mills have also improved significantly resulting in production of sugar by more mills in last 3 years.

With a view to facilitate payments of outstanding dues to the sugarcane farmers, the Central Government has taken various steps in the form of policy interventions for Sugar Sector in recent years, which are as under:

- Central Government fixes Fair and Remunerative Price (FRP) of sugarcane having regard to the factors mentioned in Clause 3(1) of the Sugarcane (Control) Order, 1966 to ensure a guaranteed price to sugarcane growers.
- Minimum Selling Price of sugar was fixed to prevent fall in ex-mill prices of sugar & accumulation of cane arrears (initially at ₹ 29/ kg w.e.f 07-06-2018; revised to ₹ 31/kg w.e.f. 14-02-2019).
- Financial assistance of more than ₹ 18,000 crore extended to mills resulting in clearance of farmers' dues during 7 years i.e. sugar season 2014-15 to 2020-21.
- Diversion of surplus sugar to production of ethanol led to improved financial conditions of sugar mills. As a result, they are able to clear cane dues early.

As a result of these measures, significant reduction has been seen in cane price arrears. About 99.9% of cane dues up to sugar seasons 2020-21 have been cleared. For the previous sugar season 2021-22, more than 99.9% cane dues have been cleared and in the current Sugar Season 2022-23, about 92.34 % cane dues are cleared as on 20.07.2023.

(c): A statement showing outstanding dues to the sugarcane farmers for the past five years, State and UT-wise is at Annexure.

ANNEXURE REFERRED TO IN REPLY TO PART (c) OF THE UNSTARRED QUESTION NO. 1099 DUE FOR ANSWER ON 26.07.2023 IN THE LOK SABHA
