The work of four-laning of Bareilly-Shahjahanpur-Sitapur section of NH-24 was awarded in 2011, however, due to various reasons, the Concession Agreement was terminated with effect from 13.04.2019. Thereafter, the balance work of the Bareilly-Sitapur section of NH-24 was awarded on 17.12.2019 and the work has been completed costing Rs. 869.62 Crore except three major/minor bridges, one vehicular underpass (VUP), one road over bridge (ROB) and one overpass which have been taken up separately apart from 4-laning length. Presently, the said section is in traffic worthy condition.**
