- ix. To provide Government-to-Citizen (G2C) e-Services within the reach of the citizen, over 5.2 lakh Common Service Centres have been set up, thus creating the physical service delivery ICT infrastructure. These centres are spread across the country and provide a range of digital services in the rural areas, creating rural digital entrepreneurs of whom over 67,000 are women entrepreneurs.
- x. **Pradhan Mantri Shram Yogi Maan-dhan (PM-SYM)** has been launched to ensure old age protection for unorganised Workers who are not covered by any other pension scheme.
