UNSTARRED QUESTION No-2033

TO BE ANSWERED ON THE 1ST AUGUST, 2023

CREATION OF INFRASTRUCTURE IN FARM SECTOR

2033. SHRI NAMA NAGESWARA RAO :

Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री be pleased to state :

- (a): the measures taken by the Government for creation of necessary infrastructure in the farm sector during the last five years;
- (b): the details of funds allocated for the above purpose, State/UT-wise; and
- (c): the details of any other financing facilities working for creation of post-harvest management infrastructure and community farm assets?

ANSWER

MINISTER OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a) to (c): In order to abridge the existing infrastructure gaps and mobilize investment in agriculture infrastructure, Agriculture Infrastructure Fund (AIF) was launched under Aatmanirbhar Bharat Package during July 2020. AIF is a medium - long term debt financing facility of Rs. 1 lakh crore to be financed by lending institutions for investment in viable projects for post-harvest management infrastructure and community farming assets.

All loans under this financing facility will have interest subvention of 3% per annum up to a limit of ₹ 2 crore. Credit guarantee coverage will be available for eligible borrowers from this financing facility under Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE) scheme for a loan up to ₹ 2 crore. The fee for this coverage will be paid by the Government. This reimbursement of interest subvention and will be available for a maximum period of 7 years. The Scheme is operational from 2020-21 to 2032-33. Tentative State wise allocation under AIF is given in Annexure.

Apart from AIF Scheme, the following schemes are also being implemented for creation of post-harvest management infrastructure and community farm assets.

Mission for Integrated Development of Horticulture (MIDH), provides assistance for development of PostHarvest Management (PHM) for perishable horticulture crops which includes establishment of pack house, Integrated pack house, pre-cooling, staging cold room, cold storages, controlled atmosphere (CA) storage, reefer transport, setting up of ripening chambers and Integrated cold chain supply system etc.

For creation of **Agricultural Marketing Infrastructure (AMI)** including Scientific Storage and to reduce post-harvest and handling losses, the Ministry of Agriculture & Farmers Welfare, Govt. of India is implementing sub-scheme "Agricultural Marketing Infrastructure (AMI)" of Integrated Scheme for Agricultural Marketing (ISAM) across the country. It is an open ended, Demand driven and credit linked scheme wherein back ended capital subsidy @ 25% and 33.33% is available based on the eligible category of beneficiary. Assistance is available to Individuals, Farmers, Group of farmers/growers, Agri-preneurs, Registered Farmer Produce Organizations (FPOs), Cooperatives, and state agencies etc.

Rashtriya Krishi Vikas Yojana (Infrastructure and Assets): Projects under this stream will emanate from State Agriculture Infrastructure Development Programme (ASIDP). This will normally include projects selected on the basis of normative requirement of in infrastructure, actual availability thereof and the gap in agriculture infrastructure in the state viz. setting up of laboratories and testing facilities, storage including cold-storages, mobile vans, agricultural marketing etc.

Sub Mission on Agricultural Mechanization (SMAM) is being implemented in DA&FW w.e.f April,2014, which aims at 'reaching the un-reached' by bringing to the small and marginal farmers in the core and giving the benefits of farm mechanization, by Promoting 'Custom Hiring Centers' , creating hubs for hi-tech & high value farm equipment, distribution of various agricultural equipment, creating awareness among stakeholders through demonstration and capacity building activities, and ensuring performance- testing and certification at designated testing centers located all over the country.

Under the **Mission Organic Value Chain Development for NE Region (MOVCDNER)**, DA&FW is promoting certified organic production since 2015-16. The scheme provide end to end support to organic farmers from organic production to certification and marketing including post harvest management support like processing, packaging, storage etc. Need based financial support for creating infrastructure facilities like integrated processing unit, integrated pack-house, cold store etc. are provided to States under MOVCDNER
