ANSWER

**THE MINISTER OF STATE IN THE
MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI KAUSHAL KISHORE)**

(a) to (d) : Government of India launched Smart Cities Mission (SCM) on 25 June 2015. 100 Smart Cities have been selected through 4 rounds of competition from January 2016 to June 2018. In the State of Jharkhand, Ranchi was selected for development as a Smart City in Fast Track Round of the Smart City Challenge process in May 2016.

Ranchi Smart City is undertaking greenfield development of 656 acre. This area is within the municipal boundaries and within 5 kms. distance from the central business district (CBD) and in close proximity to the proposed Capital Complex, Airport and Hatia Railway Station. The greenfield development not only includes basic amenities like good quality water and electricity supply, solid waste management system, scientific sewerage and drainage systems, Integrated Command and Control center, with IT connectivity, digitization, e-governance etc., but also targets provisioning of infrastructure like hospitals, housing, office complexes etc. Details of physical and financial progress of Ranchi Smart City is given below: -

(Amount ₹ in crore)

Smart City	Funds Released by Central & State Government	Utilization thereof	Ongoing projects		Completed projects		Total	
			No.	Amount	No.	Amount	No.	Amount
Ranchi	980.00	835.80	9	1,345.22	18	1,281.64	27	2,626.86
