**(a) Urban Development is a state subject. Ministry of Housing and Urban Affairs is implementing various Missions / Schemes such as - Atal Mission for Rejuvenation and Urban Transformation (AMRUT) 2.0, Smart Cities Mission (SCM), Swachh Bharat Mission-Urban 2.0 (SBM-U) and Pradhan Mantri Awas Yojana-Urban (PMAY-U) for furthering urban development, including strengthening Urban local Bodies (ULBs).**

**AMRUT Mission was launched on 25th June 2015 in 500 selected cities across the country with an agenda spread over 11 reforms aimed at improving service delivery, mobilize resources and to make municipal functioning more transparent and accountable. In order to enhance the credit worthiness of ULBs, Credit rating work for 485 cities has been awarded and completed in 470 cities under AMRUT. Out of 470 cities, 164 cities have received Investible Grade Rating (IGR), including 36 cities spread across 12 States/UTs with rating of A- and above. A sum of ₹3,940 crore has been raised through municipal bonds by 11 ULBs namely Ahmedabad, Amravati (AP), Bhopal, Ghaziabad, Hyderabad, Indore, Lucknow, Pune, Surat, Vadodara and Visakhapatnam. An amount of ₹227 crore has been released as incentive to these ULBs for municipal bonds issuance. Further, AMRUT 2.0 has a reform agenda to enhance financial health of ULBs with improving coverage and efficiency of collection of property tax & user charges as mandatory reforms.**

**In order to strengthen the capacity of ULBs for Urban Planning, 'Formulation of GIS based Master Plan', a 100% centrally funded sub-scheme with the total outlay of Rs. 515 crore is being implemented under AMRUT. 461 cities are implementing this sub-scheme. Under AMRUT 2.0, a sub scheme on formulation of GIS based master plans of Class-II (tier 2) towns with population of 50,000 - 99,999 with the total outlay of Rs. 631 crore has been approved.**
