ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY
WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a) to (e): As per the National Medical Commission, there are 37 medical colleges in Andhra Pradesh, of which 18 are in Government sector and 19 in Private sector. The list of Government and Private medical colleges in Andhra Pradesh is annexed.

The Ministry of Health & Family Welfare administers a Centrally Sponsored Scheme (CSS) for 'Establishment of new medical colleges attached with existing district/referral hospitals' with preference to underserved areas and aspirational districts, where there is no

existing Government or private medical college with fund sharing between the Centre and State Governments in the ratio of 90:10 for North Eastern and Special Category States and 60:40 for others. Under the Scheme, all the envisaged 157 Government medical colleges have already been approved in three phases, including 03 medical colleges in Andhra Pradesh at Piduguralla, Paderu and Machilipatnam.

Further, financial support has also been provided to the State of Andhra Pradesh for increase of 150 MBBS seats in 03 Government Medical Colleges and 1040 PG seats in 11 Government Medical Colleges under CSSs for upgradation of existing State Government/ Central Government Medical Colleges for increasing MBBS (UG) seats and PG seats.

In addition, support has also been provided to the State of Andhra Pradesh under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) for upgradation of 03 Government Medical Colleges by setting up of Super Specialty blocks. Further, an All India Institute of Medical Sciences has also been established at Mangalagiri.
