2021-22	0	11	0	20	169	0	
2022-23	4	96	0	16	72	0

(b) The funds for the implementation of the scheme are released by the Ministry to the State as a whole. The funds to the States are released on the basis of works in hand, their execution capacity & performance and unspent balances of the previous releases available with them. Further release of funds to the Programme Implementation Units (PIUs) at the district level is done by the respective State Governments depending upon the absorption capacity of the PIU.

The district-wise allocation of the target within the overall target allocated to the State under PMGSY-III is done by the respective State Governments.

- (d) PMGSY has a well-structured three-tiered Quality Control mechanism for ensuring construction of quality road works and durability of road assets. The first two tiers of the structure are the responsibility of the respective State Governments and under the third tier, independent National Quality Monitors (NQMs) are deployed for random inspections of road works under the programme to monitor quality and also to provide guidance to the field functionaries. The state-wise and district-wise details of inspections conducted by NQMs during last three years for completed and ongoing roads and bridge projects and percentage of road/bridge projects graded Satisfactory in the States/UTs can be accessed at https://omms.nic.in->Quality->Quality (NQM Reports)->Quality Grading Abstract.
- (e) The progress of implementation of rural roads under PMGSY is regularly reviewed by way of Regional Review Meetings (RRMs), the Performance Review Committee (PRC)Meetings, Pre-Empowered /Empowered Committee Meetings with the States. At District level, the District Development Coordination and Monitoring Committee (DISHA) headed by a Member of Parliament (LS) monitors the implementation of various schemes of Government of India including PMGSY. In addition to this, special review meetings/monthly review meetings are also held by Secretary/Additional Secretary/Joint Secretaries, Ministry of Rural Development with Chief Secretaries/ Principal Secretaries of the States. In these meetings, hand holding of the State is done and efforts are made to remove the obstacles.
