ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a) to (c):** Domestic toy production data is centrally not maintained. However, the Government has taken proactive steps to promote domestic toy industry. As a result of various steps taken by the Government, the volume of import of toys into the Indian market has shown a consistently decreasing trend. The import of Toys (HSN Codes 9503, 9504, 9505) to India has decreased by 57% from USD 371.69 million in 2018-19 to USD 158.70 million in 2022-23. Exports of Toys (HSN code 9503, 9504, 9505) from India have increased by 60% from USD 203.46 million in 2018-19 to USD 325.72 million in 2022-23.

Steps taken by the Government for development of Toy Industry

1. Directorate General of Foreign Trade (DGFT) vide Notification dated 02.12.2019 mandated sample testing of each consignment and no permission for sale unless the quality testing is successful. In case of failure, the consignment is either sent back or destroyed at the cost of the importer.
2. Basic Custom Duty (BCD) on Toys-HS Code-9503 has been increased from 20% to 60% in February 2020, subsequently increased to 70% in March 2023.
3. The Government issued Toys (Quality Control) Order, 2020 on 25.02.2020 through which toys have been brought under compulsory Bureau of Indian Standards (BIS) certification with effect from 01.01.2021. This QCO is applicable to both domestic manufacturers as well as foreign manufacturers who intend to export their toys to India.
4. QCO on Toys was amended on 11.12.2020 to exempt goods and articles manufactured and sold by artisans registered with Development Commissioner, Ministry of Textiles and also by registered proprietor and authorized users of a product registered as Geographical Indication by the Office of Controller General of Patents, Designs and Trademarks (CGPDTM), Govt. of India (GoI).
5. BIS made special provisions on 17.12.2020 to grant license to micro scale units manufacturing toys without testing facility for one year and not to insist on establishing in-house facility. Subsequently, on industry representation, the relaxation has been extended up to a period of 3 years.
6. BIS has granted 1318 licenses to domestic toy manufacturers and 38 licenses to foreign manufacturers for safety of toys as per IS 9873/ IS15644 as in July 2023.
7. The Government of India developed a comprehensive 'National Action Plan' for Toys in 2020 to boost local manufacturing and incentivize toy and handicraft manufacturers to make India the next global hub of Toys. The 'National Action Plan' is implemented in collaboration with 14 Central Ministries/Departments, including Education, Textiles, Railways, Science And Technology, and Information & Broadcasting. It contains 21 action points across four broad themes – Promoting Trade and Investment, Design and manufacturing of Toys in India, Promoting Indigenous Toys, and Toys as learning resources.
