3398. SHRI JASBIR SINGH GILL:

Will the Minister of RAILWAYS be pleased to state:

- (a) whether there is a huge demand and need to construct Rail Under Pass in the historic and district headquarter town of Tarn Taran;**
- (b) if so, whether there is any proposal under the consideration of the Government; and**
- (c) if so, the details thereof?**

ANSWER

**MINISTER OF RAILWAYS, COMMUNICATIONS AND
ELECTRONICS & INFORMATION TECHNOLOGY**

(SHRI ASHWINI VAISHNAW)

(a) to (c): Sanctioning of works of Road over Bridge (ROB) / Road under Bridge (RUB) in lieu of Level crossings (LCs) is a continuous and dynamic process of Indian Railway. Such works are taken up on the basis of its impact on safety in train operations, mobility of trains & impact for road users and feasibility etc.

In Tarantaran & nearby area, a Road under Bridge was demanded on Level Crossing (LC) No. B-27 by State Govt. Accordingly, a joint feasibility study was done with State Government. However, later on, State Government has proposed for construction of Road over Bridge (ROB) at the same location. Joint feasibility with State Govt. for the construction of ROB has been completed.
