ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a)&(b) No incident of collapse of flyover on Sohna-Dausa stretch has occurred. However, spalling of concrete was observed in a localised spot at the bottom of deck slab at one underpass at Km 58.101. The same was rectified by the contractor.

(c)&(d) National Highways Authority of India (NHAI) has issued show cause notice to the Contractor and Authority Engineer. NHAI has also engaged Central Road Research Institute (CRRI) for detailed investigation.
