**AIRPORT SECURITY CONTROL CENTRE**

**3597. SHRI THIRUNAVUKKARASAR SU:**

**Will the Minister of CIVIL AVIATION**

**be pleased to state:-**

**(a) whether the Government has categorised the airports on security point of view in the country and if so, the details thereof, State/airport- wise;**

**(b) whether any proposal is under consideration of the Government to set up Airport Security Control Centre (ASCC) in order to have an integrated command for aviation security across the country;**

**(c) if so, the details thereof and the extent to which it would help in better monitoring the security and passengers movement at airports; and**

**(d) if not, the reasons therefor?**

**ANSWER**

**Minister of State in the Ministry of CIVIL AVIATION**  
**(GEN. (DR) V. K. SINGH (RETD))**

**(a): Yes, Sir. The Bureau of Civil Aviation Security (BCAS) has categorised the airports in the country based on security point of view in three categories namely Normal, Sensitive and Hypersensitive airports. There are a total of 68 Sensitive and 31 Hypersensitive airports in the country. Rest of the airports are Normal. List of Sensitive and Hypersensitive airports is at Annexure.**

**;**

**(b) to (d): No such proposal is under consideration of the Government to set up an Airport Security Control Centre (ASCC) for integration of command for aviation security across the country. However, CISF has established Aviation Security Control Centre, integrating the Security Operations Control Centre (SOCC) of all 66 airports. The main function of the ASCC is to monitor security functions, threats and social media chatter & resource utilisation on a real-time basis.**
