Note:

1. The above releases relate to Central Govt. Grants & do not include State share contribution.
2. Expenditure includes expenditure against Central Release, State Release & unspent balances at the beginning of the year. Expenditure is as per available Financial Management Reports submitted by the State.

Government of India has implemented release of funds through Treasury Single Account (TSA) for all Central sector and Centrally Sponsored Schemes (CSS) wherein unutilized assignments will lapse to the Government at the close of the financial year and will not be available for expenditure in the next financial year.

Under the National Health Mission (NHM), this Ministry provides financial and technical support to the States/ UTs to strengthen their healthcare systems based on the requirements projected by them in their Programme Implementation Plans (PIPs).

(g) The Government of India has also enacted the Clinical Establishments (Registration and Regulation) Act, 2010 (CE Act, 2010) and notified Clinical Establishments (Central Government) Rules, 2012 thereunder to provide for registration and regulation of Government (except those of Armed Forces) as well as private clinical establishments belonging to recognized systems of medicine. The States/Union Territories (UTs) which have adopted CE Act, 2010, are primarily responsible for regulating their hospitals including private hospitals as per provisions of the Act and rules thereunder to ensure provision of affordable and quality healthcare to patients. As per the Act, the clinical establishments are required to fulfill the conditions of minimum standards of facilities and services, minimum requirement of personnel, maintenance of records & reports and other conditions including ensuring compliance to Standard Treatment Guidelines (STGs) issued by the Central/State Government and display of rates charged by them at a conspicuous place. The National Council for Clinical Establishments, a statutory body provided under the Act, has approved a standard list of medical procedures and a standard template for costing of medical procedures and the same has been shared with the States and Union Territories, where the CE Act, 2010 is applicable, for appropriate action by them. Currently, the CE Act, 2010 has been adopted by 12 States, namely, Sikkim, Mizoram, Arunachal Pradesh, Himachal Pradesh, Uttar Pradesh, Bihar, Jharkhand, Rajasthan, Uttarakhand, Assam, Haryana, Telangana, and 07 Union Territories (UTs) except Delhi.
