

GOVERNMENT OF INDIA
MINISTRY OF TRIBAL AFFAIRS
LOK SABHA
UNSTARRED QUESTION NO- 545
TO BE ANSWERED ON- 24/07/2023

VANBANDHU KALYAN YOJANA

545. SHRI RAJA AMARESHWARA NAIK:
DR. SUKANTA MAJUMDAR:
SHRI JASWANT SINGH BHABHOR:

Will the Minister of TRIBAL AFFAIRS be pleased to state:

- (a) whether the Government has extended the Pradhan Mantri Vanbandhu Kalyan Yojana which aims for the overall welfare of the tribals in the country;
- (b) the number of tribal people who have been benefited from this scheme so far in the country, State-wise and district-wise including West Bengal, Karnataka and Gujarat; and
- (c) details of other schemes introduced for tribal development in the country during the last three years?

ANSWER

MINISTER OF STATE FOR TRIBAL AFFAIRS
(SMT. RENUKA SINGH SARUTA)

(a) & (b): Government has approved the 'Pradhan Mantri Vanbandhu Kalyan Yojana (PMVKY)' for implementation during 2021-22 to 2025-26 with a total cost of Rs. 26135.46 crores which covers the following components:

- i. Pre-Matric Scholarship
- ii. Post-Matric Scholarship Scheme
- iii. Development of Particularly Vulnerable Tribal Groups (PVTGs)
- iv. Support to Tribal Research Institutes
- v. Pradhan Mantri Adi Adarsh Gram Yojna (PMAAGY)

The revamped strategy is aimed at development of tribal communities and tribal areas across the country in area of education, livelihood and integrated development of villages in convergence with State and Central TSP funds.

Under the above-mentioned components, various projects related to Education, Health & Sanitation, Drinking water, Agriculture, Animal Husbandry, Connectivity, Skill Development, Scholarship, promotion and preservation of tribal cultural heritage etc. have been sanctioned

and funds released as per scheme guidelines and other relevant financial norms / instructions in vogue.

The scheme of 'PMAAGY' envisions to transform the villages with significant tribal population into model villages (adarsh gram), having saturated basic services and adequate infrastructure, through convergence of government schemes, so as to enable the villagers to develop their potential for a meaningful contribution to the economy and society. It is envisaged to cover 36,428 villages having at least 50% tribal population and 500 STs across States / UTs with notified STs. Total population to be covered / benefitted under the scheme would be about 4.22 crore (About 40% of the total Tribal Population). The main objective of this scheme is to achieve integrated socio-economic development of selected villages through convergence approach. During 2021-22 and 2022-23, a total of about 16554 villages with tribal population have been taken up. So far, an amount of Rs. 2133.39 Crore has already been released to the States under the scheme. A statement showing State wise list of Districts and number of villages alongwith ST intended to be covered under PMAAGY is at **Annexure 1**.

The scheme of 'Pre-Matric Scholarship' a Centrally Sponsored Scheme implemented through respective State/UT administrations. This is an open-ended Scheme covering all ST students studying in Std. IXth&Xth, whose parental annual income is up to Rs. 2.50 lakhs. The contribution from Government of India is 75% and the state contribution is 25%. In respect of North East states and hilly states, the contribution from Government of India is 90% and the state contribution is 10%. In case of UTs like Andaman & Nicobar without Legislative Assembly and own grants, Govt. of India's contribution is 100%. More than 27 lakh beneficiaries were covered out of this scheme during 2021-22 and 2022-23. Details of Beneficiaries to State Governments/UT Administrations thereof under the Scheme of Pre-Matric Scholarship for ST students are at **Annexure 2**.

The scheme of 'Post Matric Scholarship' is a Centrally Sponsored Scheme implemented through respective Ste/UT administrations. This is an open-ended Scheme covering all ST students studying in in class XI and above, whose parental annual income is up to Rs. 2.50 lakhs. The contribution from Government of India is 75% and the state contribution is 25%. In respect of North East states and hilly states, the contribution from Government of India is 90% and the state contribution is 10%. In case of UTs like Andaman & Nicobar without Legislative Assembly and own grants, Govt. of India's contribution is 100%. More than 46 lakh beneficiaries were covered out of this scheme during 2021-22 and 2022-23. Details of Beneficiaries to State Governments/UT Administrations thereof under the Scheme of Post-Matric Scholarship for ST students are at **Annexure 3**.

Under the schemes Development of PVTGs and Support to TRIs funds are provided to the State governments / UTs to carry out various development activities / research works based on their proposal after approval of Project Appraisal Committee in the Ministry. Details of beneficiary are not centrally maintained in respect of these schemes.

(c): The scheme 'Pradhan Mantri Janjatiya Vikas Mission (PMJVM)' has been approved with a total financial outlay of Rs. 1612.27 crore for implementation during the financial years 2021-22 to 2025-26. PMJVM has been redesigned through the merger and extension of two existing schemes for promotion of tribal livelihood, i.e., "Mechanism for Marketing of Minor Forest Produce (MFP) through Minimum Support Price (MSP) and Development of Value Chain for MFP" and "Institutional Support for Development and Marketing of Tribal Products / Produce".

Tribal Cooperative Marketing Development Federation of India (TRIFED) is the nodal agency for implementation of the Scheme. PMJVM envisions to strengthen tribal entrepreneurship initiatives and to facilitate livelihood opportunities by promoting more efficient, equitable, self-managed, optimum use of natural resources, Agri / NTFP / Non-farm enterprises.

Further, Government has made an announcement in the Budget Speech 2023-24 for introduction of a Pradhan Mantri PVTG Development Mission to improve socio-economic conditions of the particularly vulnerable tribal groups (PVTGs), by saturating PVTG families and habitations with basic facilities such as safe housing, clean drinking water and sanitation, improved access to education, health and nutrition, road and telecom connectivity, and sustainable livelihood opportunities. An amount of Rs. 15,000 crore will be made available to implement the Mission in the next three years under the Mission i.e. 2023-24 to 2025-26.

Apart from above, Development Action Plan for Scheduled Tribes (DAPST) continues to be the dedicated source of fund for tribal development. During the year the budgetary support to DAPST has been increased from Rs. 87584.66 crore to Rs. 117943.73 crore i.e. about 35%. The DAPST is a multi-pronged strategy which includes support for education, health, sanitation, water supply, livelihood etc. Besides Ministry of Tribal Affairs (MoTA), 42 Ministries / Departments are allocating certain percentage of their total scheme budget every year for tribal development under DAPST for various tribal development projects. Details of funds allocated under various schemes are reflected in the Union Budget as Statement 10B which is laid on the table of the House and is also available at <https://www.indiabudget.gov.in/doc/eb/stat10b.pdf>.

Annexure 1

Annexure 1 referred in reply to part (a) & (b) of Lok Sabha Unstarred Question No. 545 for 24.07.2023 regarding 'Vanbandhu Kalyan Yojana'

State wise list of Districts and number of villages alongwith ST intended to be covered under PMAAGY
