605. SHRI HIBI EDEN:

Will the Minister of EDUCATION be pleased to state:

- (a) the details of the proposals received by the Government from across the country to open new Kendriya Vidyalayas during the last three years, State-wise, district-wise and location-wise;
- (b) whether the Government is considering establishment of Kendriya Vidyalaya at Ernakulam- Kakkanad;
- (c) whether the Government has taken note of the situation where the identification of land, pathway construction, and other related responsibilities for the proposed Kendriya Vidyalaya (KV) in Kakkanad, have not been completed by the Government of Kerala, despite the allocation of the KV for that location; and
- (d) whether in light of the incomplete obligations of the Government of Kerala and the potential impact on the establishment of the proposed KV in Kakkanad, the Government is considering exploring alternative locations for the KV to ensure the timely implementation of the project and if so, the details thereof?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(SMT. ANNPURNA DEVI)**

(a) As per information received from Kendriya Vidyalaya Sangathan (KVS), 122 proposals have been received for opening of new Kendriya Vidyalayas (KVs) during the last three years (i.e. 2020, 2021 and 2022) across the country. State-wise, district-wise and location-wise details are annexed.

(b) to (d) Opening of new KVs is a continuous process. KVs are opened primarily to cater to the educational needs of the wards of transferable Central Government Employees including Defence & Para-military personnel, Central Autonomous Bodies, Central Public Sector Undertakings (PSUs) and Central Institute of Higher

Learning (IHL) by providing a common programme of education throughout the country. Proposals for opening of new KVs may be sponsored by Ministries or Departments of the Government of India / State Governments / Union Territories (UTs) Administrations, with commitment to provide requisite resources including land and temporary accommodation for setting up a new KV as per norms. The proposals are subject to approval of the competent authority.

At present, 1250 KVs, including 38 KVs in the State of Kerala, are functioning across the country. KV Thrikkakara, Kakkanad, District Ernakulam was sanctioned in March, 2019. The proposed land for this KV was found not suitable due to pond in the middle of the land and lack of proper approach road and hence this KV is non-functional. KVS has taken up the matter with District Collector, Ernakulam for making the land suitable by filling of the land, to provide access road to the proposed land or for allotment of alternate land.
