ANSWER

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(DR. SUBHAS SARKAR)**

(a) to (c) Government of India in its Budget Announcement 2022-2023 has announced establishment of Digital University. It will provide access to students across the country for world-class quality universal education with personalised learning experience at their doorsteps. The salient feature of the Digital University is a networked hub-spoke model, with the hub building cutting edge ICT expertise by partnering with various top institutions such as Indian Institute of Technology-Madras, Delhi University, Indian Institute of Technology-Delhi, Indian Institute of Technology-Kharagpur, etc.

To ensure the reach of educational contents to all communities including vulnerable communities and classes in all States including West Bengal, various initiatives such as Multi-lingual content, accessible Learning Management System, linking peer learners to create strong learning communities and

synchronised, experiential learning by blending multi-modal education through SWAYAM, SWAYAM PRABHA TV CHANNELS etc. has been planned.

(d) to (f) The National Scholarship Portal (NSP) is maintained by National Informatics Centre (NIC) of the Ministry of Electronics and Information Technology (MeitY). As per the information provided by the NIC teams maintaining the NSP, in Academic Year 2022-2023, a total of 142 scholarship schemes were hosted on NSP covering Central Sector Schemes, Centrally Sponsored Schemes and State Schemes. The Scheme-wise details on these scholarships are at https://www.education.gov.in/parl_gues. The State-wise information can be accessed at <https://nsp.gov.in/dashboard/statepage#>. The NSP maintains a 24X7 helpline to assist the students. It also sends communication to the state nodal officers and SMS to the eligible students, so that they can complete the application in a timely manner.
