ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)**

(a) to (c): The Government of India has adopted a well coordinated and multi-pronged strategy to tackle the cross-border infiltration. This includes tactical deployment of forces at International Border (IB)/Line of Control (LoC), use of technology like Surveillance Cameras, Night Vision Cameras, Heat Sensing Gadgets, etc., multi-tiered deployment along IB/LoC, border fencing, deployment of intelligence personnel to collect advance and target-oriented inputs on infiltration, ambushes and foot-patrolling by Army/Border Security Force (BSF), establishment of Border Police Posts for

generating local intelligence and taking pro-active action against infiltrators.

The approach adopted by Government of India to tackle the cross-border infiltration has ensured a perceptible decline in infiltration. Year-wise details are as under:

Year	2019	2020	2021	2022	2023 (upto 30th June)
Net infiltration	141	51	34	14	00
