With respect to the State of Maharashtra, a total of 1044 hospitals including 836 private hospitals have been empanelled. The State wise details of empanelled hospitals are enclosed as **Annexure-1**.

The AB PM-JAY provides health cover to families which constitute the bottom 40% of the population. The budget allocated for Ayushman Bharat PM-JAY for the financial year 2023-24 is Rs. 7,200 Crore. The cost of HBP covers all the costs related to treatment, including but not limited to; drugs, supplies, diagnostic services, physician fees, room charges, surgeon charges, OT and ICU charges, etc.

As per the latest HBP (2022), a total of 1,949 procedures across 27 specialties are available for AB PM-JAY beneficiaries. Further, States/UTs have been given flexibility to add state specific packages over and above national master. Also, they have been provided flexibility to change the cost of the package as per local requirement. National Health Package Master of PM-JAY may be found under : (<https://pmjay.gov.in/sites/default/files/2022-04/HBP%202022%20..pdf>).
