ANSWER

MINISTER OF PORTS, SHIPPING AND WATERWAYS
(SHRIMAN SARBANANDA SONOWAL)

(a) Yes Sir, Government has reviewed the progress of various projects undertaken as part of Sagarmala programme in the State of Kerala on periodic basis. Further, Ministry constituted Maritime States Development Council (MSDC), an apex advisory body for the development of maritime sector and aims to ensure development of Major and Ports Other than Major Ports (Non-Major Ports). Till date, nineteen meetings of MSDC have been held with State Governments including Kerala. The last meeting of MSDC was held on 19.08.2023.
(b) Coastal Community Development is one the aims of Sagarmala Programme. Till date, no formal proposal, as per Sagarmala Funding Guidelines, has been received from State Government of Kerala for development of Maritime Museum project in Alappuzha.

(c) The detailed status of external lifts for the light houses in Alappuzha, Manakkodam and Valiyazheekkal is annexed [Annexure-I]

(d) Project which are aligned to the objectives of Sagarmala Programme (port modernisation & efficiency improvement, port connectivity enhancement, port-led industrialisation and coastal community development) are considered for funding under Sagarmala Scheme. The project ‘Development of Alappuzha as a Marina cum Cargo Port beach’ is aligned with the objective of Sagarmala Scheme.
Alappuzha Lighthouse

A feasibility study was conducted through Government Engineering College, Thrissur. As per the feasibility report, proposal for installation of external lift was finalised and the Central Government sanctioned Rs. 2.53 Crores for its execution. Prior to commencement of construction works, NOC was obtained for the work from Municipal Secretary, Alappuzha. However, The District Town Planner, LSGD Planning, Civil Station, Alappuzha rejected the application for NOC. Due to non-issuance of NOC from town planner, the work for installation of external lift facility at Alappuzha Lighthouse is kept in abeyance.

Valiyazhikkal Lighthouse

The Valiyazhikkal lighthouse has been constructed with Internal Lift facility and commissioned on 30.10. 2021. The existing internal lift facility is in operation and facilitates ease access for the visitors to have spectacular view from the top of lighthouse tower.

Manakkodam Lighthouse

The existing lighthouse tower was established in the year 1979. The existing lighthouse tower is not feasible to have internal or external lift facility.
