

**GOVERNMENT OF INDIA
MINISTRY OF CIVIL AVIATION
LOK SABHA
UNSTARRED QUESTION NO. : 1956
(To be answered on the 14th December 2023)**

SUSTAINABLE AVIATION INDUSTRY

1956. SHRI S. JAGATHRAKSHAKAN

Will the Minister of CIVIL AVIATION

नागर विमानन मंत्री

be pleased to state:-

- (a) whether the Government demonstrates its commitment to achieve a more sustainable aviation industry by investing in green energy and implementing reformed regulatory mechanisms to promote aircraft manufacturing in the country;**
(b) if so, the details thereof; and
(c) if not, the reasons therefor?

ANSWER

Minister of State in the Ministry of CIVIL AVIATION

नागर विमानन मंत्रालय में राज्य मंत्री

(GEN. (DR) V. K. SINGH (RETD))

(a) to (c): Yes, Sir. Presently, 86 airports across the country are using green energy out of which the share of green energy in the airport's total energy consumption is 100% for 66 airports.

The extant policy enables domestic manufacturing of aircraft. The Government has been encouraging the manufacturing of aircraft, including regional transport aircraft and associated equipment by public and private enterprises in India.
