Will the Minister of ROAD TRANSPORT AND HIGHWAYS

सड़क परिवहन और राजमार्ग मंत्री

be pleased to state:

- (a) the stretches of the National Highways (in kilometers) damaged by unprecedented torrential rain or landslides in Himachal Pradesh during the last month of August;**
- (b) the estimated amount required for the repair of the said routes; and;**
- (c) the time by which the said repair works are likely to be completed?**

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (c) NHs of about 71 Km have been affected by unprecedented torrential rains or landslides in Himachal Pradesh during August, 2023 and the estimated cost of repairs of damaged stretches is Rs 174 Crore. Immediate repair works on the said affected stretches have already been carried out making the NHs traffic worthy. Permanent/Long term measures are taken up under different schemes as per availability of funds and inter-se priority.
