ANSWER

THE MINISTER OF TOURISM

(SHRI G. KISHAN REDDY)

(a) to (f): The Ministry of Tourism (MOT) under its Swadesh Darshan scheme (SDS) had sanctioned a project 'Development of Chennai - Mamamallapuram - Rameshwaram - Kulasekaranpattinam - Kanyakumari' for ₹73.13 crore in the year 2016-17 and released a total amount of ₹71.03 crore, which in tune to the final expenditure reported by the State Government in the said project.

After 2018-19, the Ministry of Tourism undertook a comprehensive review of the scheme and all the proposals submitted by State Governments were deemed returned. Now the Ministry has revamped the scheme as 'Swadesh Darshan 2.0 (SD2.0)' with the objective to develop sustainable and responsible tourism destinations. As per the

SD2.0 scheme guidelines, the State Governments/UT Administrations prepare a State Perspective Plan (SPP) analysing tourism potential of various destinations based on the features like major tourism attractions, offerings, connectivity, current tourism eco system, state support etc. Accordingly, the Ministry of Tourism in consultation with the respective State Government/UT Administration selects destinations for development. The Ministry of Tourism has notified 55 destinations in the country including Tamil Nadu for development under the scheme, the list of which is annexed.

A third party impact assessment of the scheme was undertaken by National Productivity Council (NPC) in July 2019, which states that 'Swadesh Darshan' scheme has been able to give a fillip to livelihood opportunities and create employment for the local communities in construction phase.
