

**GOVERNMENT OF INDIA
MINISTRY OF AYUSH**

**LOK SABHA
UNSTARRED QUESTION NO. 2251
ANSWERED ON 15TH DECEMBER, 2023**

AYUSH System of Medicine

2251. SHRI HEMANT TUKARAM GODSE:

Will the Minister of AYUSH be pleased to state:

(a) whether the Government proposes to provide AYUSH system of medicine as an alternative to allopathic system in Primary Health Centres, Community Health Centres and district hospitals in the country;

(b) if so, the time by which the said system is likely to be operational in all hospitals in the country including of Maharashtra and Gujarat in which; and

(c) the details of the big and small hospitals wherein the treatment through allopathic and AYUSH systems of medicines are available at one place in the country, State/UT-wise including Maharashtra and Gujarat?

**ANSWER
THE MINISTER OF AYUSH
(SHRI SARBANANDA SONOWAL)**

(a) and (b) Public Health being a State subject, the primary responsibility to provide Ayush services at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs) lies with the respective State/UT Governments including Maharashtra and Gujarat. However, the Government of India has adopted a strategy of Co-location of Ayush facilities at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs), thus enabling the choice to the patients for different systems of medicines under a single window. The engagement of Ayush doctors/ paramedics and their training is supported by the Ministry of Health & Family Welfare under National Health Mission (NHM), while the support for Ayush infrastructure, equipment/ furniture and medicines are provided by the Ministry of Ayush under National Ayush Mission (NAM) as shared responsibilities.

(c) The status of co-located Ayush facilities at PHCs, CHCs and DHs, State/UT-wise including Maharashtra and Gujarat is furnished at **Annexure-I**. Further, Central Council for Research in Ayurvedic Sciences (CCRAS), Central Council for Research in Unani Medicine (CCRUM), Central Council for Research in Homoeopathy (CCRH) and Central Council for Research in

Siddha (CCRS), Autonomous organizations under Ministry of Ayush have established treatment centers wherein allopathic and Ayush systems of medicines are available at one place in the country. State/UT-wise status of treatment centers wherein allopathic and Ayush systems of medicines are available at one place under CCRAS, CCRH, CCRUM, CCRS is furnished at **Annexure-II**.

The status of co-located Ayush facilities at PHCs, CHCs and DHs
