- (a) the details of the schemes being run by the Government for improving the quality of education at the primary level along with increasing the infrastructure in primary schools in the country;
- (b) the details of the implementation of the said schemes in the State of Gujarat, Scheme-wise and district-wise; and
- (c) the details of the percentage of primary schools covered under internet infrastructure/facility in the Country till date, State-wise and district-wise including Gujarat?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION (SMT. ANNPURNA DEVI)

(a) & (b): The details of schemes being run by Government to improve quality of education at primary level along with increasing the infrastructure in primary schools in the country; are as follows-

Samagra Shiksha:

The Department of School Education and Literacy is implementing an integrated centrally sponsored scheme for School education- Samagra Shiksha. The scheme treats school education holistically, without segmentation from pre-primary to class XII and is in accordance with Sustainable Development Goal for Education (SDG-4). The scheme provides support for the implementation of the RTE Act. The Scheme has now been aligned with the recommendations of the National Education Policy (NEP) 2020 and aims to ensure that all children have access to quality education with an equitable and inclusive classroom environment which should take care of their diverse background, multilingual needs, different academic abilities and make them active participants in the learning process.

District Wise Primary Enrolment (Govt. & Aided) and Fund allocated (2023-24) to Districts in Gujarat under Samagra Shiksha are attached at **Annexure-I**.

Pradhan Mantri Poshan Shakti Nirman (PM POSHAN):

Pradhan Mantri Poshan Shakti Nirman (PM POSHAN) Scheme is one of the foremost rights based Centrally Sponsored Schemes implemented in partnership with States and UTs. The objectives of the scheme include improving the nutritional status of children studying in Bal Vatika (just before class-I) and classes I-VIII in Government and Government-aided schools; encouraging poor children to attend school more regularly and help them concentrate on classroom activities; and providing nutritional support to children of elementary stage in drought/disaster affected areas during summer vacation and disaster times. The scheme is implemented across the country including Gujarat covering 11.80 crore children studying in 11.20 lakhs schools.

Pradhan Mantri Schools for Rising India (PMSHRI):

PMSHRI is a centrally sponsored scheme approved by the Union Cabinet in September, 2022. The schools under the scheme including primary schools are to showcase the implementation of the National Education Policy 2020 and emerge as exemplar schools over a period of time, and also offer leadership to other schools in the neighbourhood imparting high-quality education in an equitable, inclusive and joyful school environment that takes care of the diverse background, multilingual needs, and different academic abilities of children and makes them active participants in their own learning process as per vision of NEP 2020.

In the first phase of selection of PM SHRI Schools, a total of 6207 schools were selected from 29 States/UTs along with KVS/NVS including 274 PM SHRI Schools in the state of Gujarat. Further, Central share of Rs. 630.11 crore as the 1st instalment of FY 2023-24 has already been released to PMSHRI Schools. The district-wise list of 274 PM SHRI Schools in the state of Gujarat is attached at **Annexure-II.**

(c): The details of percentage of primary schools covered under internet infrastructure/facility in the country as on date, State-wise and district-wise in Gujarat are at **Annexure-III**.
