ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)**

(a) to (c) 15th Finance Commission, in its report had made recommendations for setting up Mitigation Funds and suggested allocations at National and State level. Accepting the recommendations of the Finance Commission, Central Government has allocated Rs. 13,693 crore for the National Disaster Mitigation Fund (NDMF) and Rs. 32,030.60 crore for State Disaster Mitigation Fund (SDMF) for the period 2021-22 to 2025-26. Further Rs 5,796.60 crore was also allocated for SDMF for the period of 2020-21, based on the interim recommendations of the 15th Finance Commission.

Central Government had constituted the National Disaster Mitigation Fund (NDMF) on 05.02.2021 and also advised all the State Governments to set up State Disaster Mitigation Fund (SDMF) in the State. So far, all the States, except Telangana, have intimated setting up of SDMF.

For the first time allocation of funds, exclusively for the mitigation of disaster risks, has been made by the Government, both at national and state level. It will help the States in carrying out mitigation activities for reducing the impact of disasters.

Central Government contribute 75% for all States (90% for North-Eastern and Himalayan States) as Centre share in SDMF. State-wise details on allocation of funds in SDMF, with Centre and State share is given in Annexure.

Statement showing State-wise allocation of SDMF during the years 2020-21 to 2025-26
