ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a) to (c):** Total Foreign Direct Investment (FDI) inflow includes equity inflow, equity capital of unincorporated bodies, re-invested earnings and other capital. State-wise data of investment made through FDI is maintained for FDI equity inflow since October, 2019. The details are as under:

S. No.	Financial Years	FDI Equity inflow(Amount in USD Million)
(1)	(2)	(3)
1	2019-20 (From October, 2019)	13.05
2	2020-21	19.76
3	2021-22	95.33
4	2022-23	31.63
5	2023-24 (Upto September, 2023)	5.78
	Total	165.54

FDI inflows into a country (and consequently to any state) depend on a host of factors such as availability of natural resources, market size, infrastructure, political and investment climate, macro-economic stability and investment decision of foreign investors.

- (d):** The top five sectors attracting FDI equity inflow in Odisha during the period of October, 2019 to September, 2023 are Services Sector, Metallurgical Industries, Construction (Infrastructure) Activities, Computer Software & Hardware and Education.
