SHRI SUNIL BABURAO MENDHE:  
SHRI PRATHAP SIMHA:**

**Will the Minister of ROAD TRANSPORT AND HIGHWAYS**

**सड़क परिवहन और राजमार्ग मंत्री**

**be pleased to state:**

**(a) the salient features, objectives and details of Bhoomi Rashi portal;  
and**

**(b) the details of the various projects related to National Highways  
Authority of India (NHAI) under Bhoomi Rashi Portal?**

**ANSWER**

**THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS**

**(SHRI NITIN JAIRAM GADKARI)**

**(a) The objective of Bhoomi Rashi portal is to provide a single point  
platform for online processing of land acquisition notifications to**

**accelerate highway infrastructure development projects in India and payment of compensation for land acquisition. The portal has been made mandatory for processing all the LA proposals w.e.f. 01.04.2018.**

**All the Land Acquisition notifications are submitted online by the concerned revenue official of the State Government, duly designated as Competent Authority for Land Acquisition (CALA) and after the approval of the Ministry of Road Transport & Highways, these are sent online to the Government of India Press through e-Gazette. Compensation for land acquisition is also being paid through Bhoomi Rashi portal. The portal has greatly reduced the time period for publication of notifications and brought in efficiency as well as transparency in the whole process.**

**Some salient features of the Bhoomi Rashi portal are:**

- i. Separate Workflow processing for Ministry of Road Transport & Highways (MoRTH), National Highways Authority of India (NHAI) & National Highways Infrastructure Development Corporation Limited (NHIDCL).**
- ii. Template based Notification Generation & generation of word file for uploading e-Gazette portal.**
- iii. One Time Password(OTP) based Security and data encryption.**
- iv. Digital Signature Certificate (DSC) based Approval.**
- v. Upload of file received from e-gazette portal.**
- vi. Auto creation of Login Credentials for Competent Authority for Land Acquisition (CALA) & land parties.**
- vii. Provision for Legacy Data.**
- viii. To create a notification, user only needs to select Villages / Survey Numbers / Land Parties. All other data would be generated by the system.**
- ix. Online Payment to beneficiary.**
- x. Generation of reports.**

**(b) As on date, 1467 projects of National Highways Authority of India(NHAI) have been brought under the Bhoomi Rashi Portal. The details of these projects are available at [https://bhoomirashi.gov.in/auth/revamp/search\\_proj.cshtml](https://bhoomirashi.gov.in/auth/revamp/search_proj.cshtml).**
