ANSWER

MINISTER OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

- (a): Under the PM-KISAN scheme, the details of the funds released are maintained instalment-wise. The year-wise, instalment-wise details of funds released under PM-KISAN is attached at Annexure.

(b): In the initial phases, instalments of the PM KISAN scheme were transferred through bank account mode. During the process of the payment, some transactions failed due to syntax errors, account validations, incorrect IFSC code, Bank Name validations, etc. After learning from the experiences, the Department adopted Aadhaar Payment Bridge mode to transfer the benefits in the scheme. After adoption of the APB mode, the number of failed transactions has reduced. However, in case of failed transactions due to inevitable reasons such as Aadhaar number de-seeded from the NPCI mapper, Account closed, A/c Blocked or Frozen, Unclaimed/DEAF accounts, Account inoperative, Account Holder Expired, KYC Documents Pending, etc., such farmers are contacted to take required necessary actions as per the failure reason by the State/UT Governments. The Central Government also sends one to one messages to such farmers for taking corrective actions so that benefits can be transferred to them without any hassle. Once the corrective actions are completed, their accrued benefits are reprocessed.

(c) to (e): The reasons for failure of transactions have been examined in consultation with NPCI and banks. The major reasons are: Aadhaar number de-seeded from NPCI mapper, Account closed, A/c Blocked or Frozen, Unclaimed/DEAF accounts, Account inoperative, Account Holder Expired, KYC Documents Pending, etc., which are inevitable. Farmers are sensitized to link their active bank account with Aadhaar for smooth transfer of the benefits.

(f): There is no such proposal under consideration.
