- (b) if so, the details thereof and the points based on which the said inference is derived and if not, the reasons therefor;
- (c) the details of increase in the income of farmers, farm produce-wise and State-wise; and
- (d) the details of the steps being taken by the Government to achieve the said target in future?

ANSWER

THE MINISTER OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a) to (d): Government had constituted an Inter-Ministerial Committee in April, 2016 to examine issues relating to “Doubling of Farmers Income (DFI)” and recommend strategies to achieve the same. The Committee submitted its final report to the Government in September, 2018 containing the recommendations for doubling of farmers’ income through various policies, reforms & programmes. To achieve the objective, the Committee identified following seven sources of income growth: -

- i. Increase in crop productivity
- ii. Increase in livestock productivity
- iii. Resource use efficiency – reduction in cost of production
- iv. Increase in cropping intensity

- v. Diversification to high value agriculture
- vi. Remunerative prices on farmers' produce
- vii. Shift of surplus manpower from farm to non-farm occupations

Government has adopted and implemented several policies, reforms, developmental programmes and schemes for achieving higher incomes for the farmers directly or indirectly. The unprecedented enhanced budgetary provisions have been made to facilitate the following efforts of the Government: -

1. Income support to farmers through PM KISAN
2. Pradhan Mantri Fasal BimaYojana (PMFBY)
3. Institutional credit for agriculture sector
4. Fixing of Minimum Support Price (MSP) at one-and-a half times the cost of production
5. Promotion of organic farming in the country
6. Per Drop More Crop
7. Micro Irrigation Fund
8. Promotion of Farmer Producer Organisations (FPOs)
9. National Beekeeping and Honey Mission (NBHM)
10. Agricultural Mechanization
11. Providing Soil Health Cards to farmers
12. Setting up of National Agriculture Market (e-NAM) extension Platform
13. Launch of the National Mission for Edible Oils – Oil Palm
14. Agri Infrastructure Fund (AIF)
15. Improvement in farm produce logistics, Introduction of Kisan Rail.
16. Mission for Integrated Development of Horticulture (MIDH) - Cluster Development Programme:
17. Creation of a Start-up Eco system in agriculture and allied sector
18. Achievement in Export of Agri and Allied Agri- Commodities

Implementation of these schemes has yielded remarkable results towards augmenting the income of the farmers. As part of the 'Azadi ka Amrit Mahotsav', Indian Council of Agricultural Research (ICAR) has released a book, which contains compilation of success stories of 75,000 farmers out of innumerable successful farmers who have increased their income more than two times.
