**ANSWER**

**वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)**

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY  
(SHRI SOM PARKASH)**

- (a):** PM GatiShakti National Master Plan (NMP), launched in October 2021, is a transformative approach for planning multimodal infrastructure connectivity to economic nodes in the country, for logistics efficiency, first and last mile connectivity. To ensure better decision-making and coordination among various Central Ministries/Departments and State Governments, a three-tier institutional mechanism of Empowered Group of Secretaries (EGoS), Network Planning Group (NPG) and Technical Support Unit (TSU) has been established, both at Central and State levels. Further, a GIS data based digital platform has been developed with 1400 plus GIS data layers related to various infrastructure, geographical, demographic features integrated on to this National Master Plan and State Master Plans. In total, 61 meetings of the Network Planning Group (NPG) have been held as on date with a total of 119 projects that have been evaluated by the NPG. No quantified targets have been set under the initiative.

- (b) & (c):** Details of projects of the State of Bihar, approved under the Part-II of the "Scheme for Special Assistance to the States for Capital Investment", are given at **Annexure-I**. Rs. 502.93 Crore have been approved for 20 Projects in Bihar by Department of Expenditure, Ministry of Finance, Government of India under Part-II of the "Scheme for Special Assistance to States for Capital Investment" in the FY 2022-23 for PM GatiShakti related expenditure.
- (d) & (e):** The Project Monitoring Group (PMG) monitors all the central sector projects with estimated cost more than Rs. 500 crores on the PMG portal. Under this mechanism, various issues pertaining to the projects including those related to land acquisition are monitored at appropriate levels for a time-bound resolution.
