**ANSWER**

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्रीमती अनुप्रिया पटेल)

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY  
(SMT. ANUPRIYA PATEL)

**(a) to (e)** The Government has taken measures to promote exports from the districts under the Districts Export Hub initiative. Products/Services with export potential have been identified in the districts under the initiative. An institutional mechanism has been set up in States/UTs by forming State Export Promotion Committee (SEPC) and Districts Export Promotion Committee (DEPC) at the District level. District Export Action Plans under

“Districts as Export Hubs” detailing the existing bottlenecks in the supply chain and identifying possible interventions to mitigate the existing gaps are being prepared by the districts. These outline the support required by the local exporters and manufacturers to seamlessly export the identified products and services by supporting new business to export and generating employment opportunities in the districts. To encourage exports from the districts under “Districts as Export Hubs initiative”, export promotion outreach events are being held in various districts. This includes handholding sessions with exporters and export related awareness sessions with exporters along with the representatives of various related agencies/departments such as Department of Posts, Central Board of Indirect Taxes and Customs (CBIC), Banks, Ministry of Micro, Small and Medium Enterprises (MSME), Export Promotion Councils, Local Trade Associations/Chambers, District Industries Centres, etc. Further, there is a huge employment potential especially with the proposed implementation of e-commerce exports. 15 Export awareness meetings / stakeholders’ meetings have been conducted during the last two years with a participation of more than 1000 persons in the districts of Andhra Pradesh as part of the outreach programs conducted under Districts as Export Hubs.
