- (d) if so, the details thereof;
- (e) whether the Government has collaborated with businesses and encouraged them to increase recruitment of people under PMKVY;
- (f) if so, the details of the initiative to increase the recruitment of people under PMKVY in the State of Maharashtra; and
- (g) if not, the reasons therefor?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI RAJEEV CHANDRASEKHAR)

(a) Under the Govt. of India, Skill India Mission (SIM) aims at Skilling, Re-Skilling and Up-Skilling to ensure all young Indians are prepared for the large number of opportunities coming up as the economy expands and India moves from the 10th largest economy to 3rd largest economy in the world. SIM is aimed at giving access to all youth in India to get future ready, Industry ready skill.

Under SIM, Ministry of Skill Development and Entrepreneurship (MSDE) is implementing its flagship scheme Pradhan Mantri Kaushal Vikas Yojana (PMKVY) with an objective to deliver skills in various sectors to all young Indian of the country to make them employable for better opportunities. Since 2015 till 31st October, 2023, a total of 12,35,985 candidates have been trained/oriented under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) in the state of Maharashtra.

(b) PMKVY scheme has two components namely Centrally Sponsored Centrally Managed (CSCM) and Centrally Sponsored State Managed (CSSM).

- i. During the last three Financial Years (FY), i.e., 2020-21, 2021-22 and 2022-23, a total of Rs. 17.07 crore has been utilized under CSCM component of PMKVY for the State of Maharashtra. Currently, Ministry is implementing PMKVY 4.0 as a Central Sector Scheme under which a total of Rs. 12.01 crore has been utilized for the State of Maharashtra in FY 2023-24 till 31st October, 2023.
- ii. During the last three FY, i.e., 2020-21, 2021-22 and 2022-23, a total of Rs. 50.74 crore has been disbursed under CSSM component of the Scheme. In these 3 years, utilization certificate of Rs. 73.63 crore have been received (including utilization of funds disbursed before 2020-21 as well). No fund has been allotted to the State of Maharashtra in the current year as PMKVY 4.0 is a central sector scheme.
- iii. In the State of Maharashtra, during the last three FY, i.e., 2020-21, 2021-22 and 2022-23, a total of 2,03,129 candidates have been trained/oriented. In FY 2023-24, till 31st October 2023, a total of 18,697 candidates have been trained/oriented.

(c) & (d) Under PMKVY, Skill training is imparted through Short Term Training (STT) and Up Skilling and Re-Skilling through Recognition of Prior Learning (RPL). Under PMKVY, placement opportunities have been facilitated to STT certified candidates, and since RPL involves the process of certification of already existing skills, it is not linked with placements. Candidates in the state of Maharashtra, from 2015 till 31st October, 2023, out of total 2,70,347 STT certified candidates, 80,950 candidates have been placed, which is 30%.

(e) & (f) Yes, Sir. Across various phases of PMKVY, efforts have been made to facilitate placements to the STT certified candidates through initiatives like Rojgar and Apprenticeship Melas. A total of 64 Rozgar Melas were organized in the State of Maharashtra in which 9,470 candidates were shortlisted. Further, details of the trained candidates are available on Skill India Digital (SID) for connecting with potential employers. The SID features a job exchange option, enabling candidates to search for available jobs and apply accordingly. Through Skill India Digital, candidates can access to jobs and apprenticeship opportunities.

(g) Not applicable.
