- (b) whether the country is following any global standards and norms for eco-friendly steel production; and
- (c) if so, the details thereof and if not, the reasons therefor?

ANSWER

THE MINISTER OF STATE IN THE
MINISTRY OF STEEL

(SHRI FAGGAN SINGH KULASTE)

(a) to (c). Development of taxonomy for green steel is a global concern and India too shares this concern. Towards this, Ministry of Steel has constituted a Task Force on Development of Taxonomy for Green Steel with engagement of industry, academia, think tanks, S&T bodies, different Ministries/Departments and other stakeholders to discuss, deliberate and recommend upon this.
