- b) if so, the details thereof;
- c) the total number of households provided with drinking water connection as on date in the State of Karnataka, district-wise;
- d) whether the Government has set any time-frame to achieve hundred per cent target under the scheme; and
- e) if so, the details thereof?

**ANSWER**

THE MINISTER OF STATE FOR JAL SHAKTI

(SHRI PRAHLAD SINGH PATEL)

(a) to (e) Government of India in partnership with States is implementing Jal Jeevan Mission (JJM) – Har Ghar Jal to make provision of potable water to every rural household of the country, through functional household tap water connection i.e. at a service level of 55 litre per capita per day (lpcd), of prescribed quality (BIS:10500), on regular and long-term basis.

At the time of announcement of Jal Jeevan Mission, 3.23 Crore (16.82%) rural households were reported to have tap water connections. So far, as reported by States/ UTs as on 04.12.2023, around 10.48 Crore additional rural households have been provided with tap water connections. Thus, as on 04.12.2023, out of 19.24 Crore rural households in the country, around 13.72 Crore (71.32%) households are reported to have tap water supply in their homes.

As reported by the Government of Karnataka in Integrated Management Information System (IMIS) of the Department as on 04.12.2023, 71.65 rural households have been provided with drinking water connection in the state of Karnataka. District-wise information is **Annexed**.

Drinking Water being a State subject, it is States, who plan, design, approve and implement drinking water supply schemes. Government of India supplements the efforts of the States by providing technical and financial assistance under this mission. State Government is advised to provide tap water connection to all the rural households within the Mission Period.
