- (d) if so, the details thereof and if not, the reasons therefor?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(DR. SUBHAS SARKAR)**

(a) to (d) The Government of India has launched National Educational Policy 2020 with an aim to provide holistic and multidisciplinary education with multiple entry and exit facility. It also aims to ensure universal access to education at all levels, equitable and inclusive education and lifelong learning ecosystem.

To achieve these objectives, a registry framework is required to identify each entity to track the academic and skilling journey of the students/learners throughout his life with many uses such as transfer of credits, transfer from one institute to other institute etc. It also aims to facilitate and track, the integration of programme with skill component, choice-based courses, planning and improvement in curriculum as per the requirement of stakeholders.

Data Security guidelines prescribed by Ministry of Electronics and Information Technology (MeitY) has been followed to prevent any data breaches.
